

## **RULES FOR RENTING A KILN / STUDIO**

1. It is possible to rent a firing kiln or the studio without a kiln.
2. Payment must be made before the work is fired and the studio is used.
3. After completing the work, the client is obliged to clean up and leave the studio in the condition in which it was found.
4. Please do not glaze the works where they meet the kiln shelf.
5. Works glazed at the junction with the shelf are placed only on stands provided by the studio (+ PLN 1/pcs). If it is destroyed, the fee is PLN 10.
6. Works that have not been cleaned of the glaze from the bottom will not be fired.
7. The works brought must be dry and ready to be placed in the kiln (glazed at least the day before).
8. The client has one month to collect the works.
9. Works not collected within a month will be destroyed or put up for sale.
10. If the shelf is dirty with glaze, we add PLN 50 for the cleaning service. If, as a result of incorrect application of the glaze, it is impossible to clean the shelf, the customer will be charged the cost of the entire shelf, according to the store's price list.
11. In the event of destruction of the kiln, the cost according to the specialist's estimate is covered by the customer.
12. Firing duration: we leave the kiln open overnight, works can be collected at least 48 hours after the end of firing (ceramics); glass firing - depending on the set firing curve.
13. **By leaving the work for firing and paying for the service, the client accepts the above regulations.**
